

“ADOPT SOME MILLENNIUM METRES OF TRAIL” AND HELP TO UPGRADE THE TRAIL

\$13,529 RAISED AGAINST OUR TARGET OF \$15,000 FOR
PHASE 1.

In Newsletter 2012-2 we outlined **our target of raising \$15,000** for Phase 1, upgrading from Conley Road to Belleville Street. **We are 90% there** including when we achieved the first \$5,000, Scotiabank matched it with \$5,000! Thank you to Bank Manager, Jim Dunlop, and his staff for their diligent effort in getting us the grant.

If you believe this improvement to the trail is worthwhile, help get it done by donating \$10 per metre at the Scotiabank in Wellington or Picton, the Bloomfield Bicycle Shop or the PEC Parks, Recreation & Culture office at 72 King Street, Picton. For \$20 you get a tax receipt and for \$50 your name will be listed on the donor wall at Wellington Station. Tell your friends, too. On page 3 is the form to complete with your donation.

WELLINGTON ROTARY RIBFEST ON CANADA DAY

The Rotary Club will be serving **Rotary Ribs**, 11:30am to 2:30pm, \$10 per plate of ribs with sides in the park in Wellington. The proceeds will support all Rotary projects during the year. Sheena Kennedy will be their, too, to accept your donations to the Millennium Trail fund.

& Prince Edward County, Parks, Recreation & Culture

THANK YOU TO THE FOLLOWING EVENT ORGANIZERS

Wellington Rotary Golf Tournament – to Jim Bancroft and Sandra & Paul Farquhar for organizing and running the 8th annual tournament at the Wellington on the Lake Course to raise funds for all the Rotary projects supported during the year. In addition, two features were included for the Millennium Trail fund. A silent auction raised \$505 and a 50:50 draw raised \$150.

Free Guided Hike – to Terry Sprague & Pamela Stagg for leading the hike on the Millennium Trail and making naturalist notes for us to use as we develop the trail.

David Simmonds' CD Launch – at the Tall Poppy, he raised \$594 for the Trail fund. His CD, "Dave's Car Wash" is available now for regular sale at the Side Street Gallery in Wellington and Books & Co. in Picton for \$20.

POSSIBLE WORK SCHEDULE TO START THE UPGRADE

At the present time, it looks like the work on Phase 1 (Conley Road to Belleville Street) will start in late July or early August. After we reach \$15,000 and the Trail Committee meets to develop a work plan, a newsletter will be published with the dates for all the activities. You will be invited to help with the work, principally clearing the brush at the side of the trail.
