The 4 lane expansion of Highway 11 through the Almaguin Highlands is to be completed by 2012. With the highway's expansion will come the opportunity for great economic prosperity for this region as more traffic will inevitably be drawn north. These are exciting times!!! The upcoming Showcase Almaguin Trade Show will give local businesses and municipalities the chance to come together to discuss information, trails and accommodation for this exciting opportunity.

# Business Retention & Expansion Project

Supported by: Armour, Burk's Falls, Callander, Chisholm, Kearney, Machar, Magnetawan, McMurrich/Monteith, Powassan, Ryerson, South River, Whitestone
