

Mudder Inc.

Dear Jeep and Off-road Enthusiast:

Mudder Inc. presents the **5th Annual Roadkill BBQ Weekend**, June 7th and 8th 2008.

As usual, it will be an all weekend camp-out with trail runs and good times. This year come join us for some great off-road adventures, trail clean-up, live music and bring your guitars/instruments to jam around the bonfire.

In the past, various off-road clubs, shops and jeep enthusiasts have provided numerous donations for this annual charity event. This year we again invite you to participate in this annual event to support one of the most popular trail systems in Northern Ontario, the environment and the off-road community. Last year alone approximately 300+ vehicles and families came out to support the OSPCA. This year your donation will help raise awareness of the off-road communities' on-going efforts to promote safe trail practices and our efforts to give back to the communities that we live and play in. We invite you to donate an item or two that can be **raffled off** during this event or you may make a monetary donation. Any corporations or shops that donate to this year's event are welcome to provide us with a banner/poster which will be displayed during the event.

This year we will be collecting item to donate to the Aspen Valley Wildlife Sanctuary, please bring your donation to the main gate when you arrive for free admission.

The location of this year's event is #91, Hwy 124, just 3 minutes outside of Parry Sound (about 2 hours north of Toronto). Camping is provided at this site or you can book a site at the local KOA Camp ground.

We will also be collecting some items to raffle off to raise a bit of money for the sanctuary as well. If anyone has something they would like to donate to the raffle (and get a bit of free plugging in the local paper) please contact me.

We are asking that all contributions be sent by **May 29th** to the following address:

Taeia Montgomery
135 Commerce Valley Drive East
Thornhill, Ontario
L3T 7T4

Thank you for your continued support. For further information please feel free to contact me at 905-716-7092 or taeam@gmail.com.

Sincerely,
